INTRODUCTION

Armstrong was founded on the core values of Community, Service, Learning and Innovation. Reflecting our commitment to service, Armstrong now provides 360 Service and Support. Working collaboratively with the 'partner' companies in our network, we're ready to provide the service and support that customers need in relation to building performance.

A key part of serving our customers is providing Genuine Armstrong Replacement Parts to support installations of our products. But the value we provide goes beyond the quality of the replacement part.

With the availability of parts in packaged kits, you'll never have to leave a repair incomplete just because you didn't have all the pieces required for the job. And you won't have to pay a premium for rush delivery of additional parts.

Your customers will be happier, because their mechanical systems will be returned to service earlier. That means you'll be more likely to get their repeat business.

The Armstrong replacement parts program serves contractors and end customers through a combination of : Availability, Easy Selection, Easy Transactions, Quick Delivery and Technical Support.

AVAILABILITY

- Dedicated service parts inventory
- Real-time inventory information
- Active channel inventory management

EASY SELECTION

- Parts selection charts with updated descriptions, pictures and sizing details
- Cross reference information for Motors and Couplers
- Product details on packaging
- All items within each Parts Kit are carefully selected for accurate sizing

EASE OF TRANSACTION

- Parts and Kits available in **ADEPT** Locator tool for local parts dealers
- Complete parts kits reduce the work to source items. One search and one order address a service issue

QUICK DELIVERY OF PARTS SOLUTIONS

- Same-day shipping (cut-off time applies)
- Options for shipping service levels
- Parts Kits include all parts and related items required to complete replacement work

SUPPORT

- Trained Armstrong support professionals
- Dedicated 24*7 service and support parts
