OEM Cross Reference

The following pages relate to Regal® replacement stock numbers to the original equipment numbers of several motor brands. If the part number of the original motor is known, it is a simple matter to look up the stock number of the Regal motor with which it can be replaced.

Every effort has been made to ensure the accuracy of this cross reference guide. Regal can, however, accept no responsibility for errors, which may be caused by changes in model number or motor specifications.

PLEASE NOTE:

In keeping with Regal's policy of continuous technological development, current stock motors may vary from those built in the past. Every effort has been made to maintain the interchangeability of models listed in this guide, but construction features and or operating characteristics may have been improved. Always compare motors for interchangeability prior to installing them or recommending them for installation. If you are unsure of the interchangeability of any particular motor, please consult your Regal customer service representative.

Trademarks and trade names of OEM's are not owned or controlled by Regal Beloit Corporation or its affiliates unless such ownership is expressly claimed on the back cover. The rights associated with those trademarks and trade names are the property of their respective owners or licensees.

APPLICATION CONSIDERATIONS

The proper selection and application of products and components, including paying full attention to the subject of product safety in the application, is the responsibility of the customer. Operating and performance requirements and potential associated issues will vary appreciably depending upon the use and application of such products and components. The scope of the technical and application information included in this publication is necessarily limited. Unusual operating environments and conditions, maintenance requirements, installation configurations, and T factors can materially affect the application and operating results of the products and components and the customer should carefully review its requirements. Any technical advice or reviews furnished by Regal Beloit America, Inc. or its affiliates ("Regal") with respect to the use of products and components is given in good faith and without charge. However, Regal assumes no obligation or liability for the advice given, or results obtained, all such advice and reviews being given and accepted are at the customer's risk.

For a copy of our Standard Terms and Conditions of Sale, Limited Warranty, and Limitations of Liability and Remedy, please contact Customer Service at 1-800-672-6495 or the website address: <http://www.regalbeloit.com> (link to "Terms and Conditions of Sale" at the bottom of the page). These terms and conditions of sale, disclaimers and limitations of liability apply to any person who may buy, acquire or use a Regal Beloit America Inc. product referred to herein, including any person who buys from a licensed distributor of these branded products.
